QUOTATION

Quote Number:	QT-2025-VAI-001	Date:	October 17, 2025
To:	Bin Quraya Procurement Department Project Eagle - Aramco Site 7		
Reference:	RFQ - High-Pressure Shell & Tube Heat Exchanger (9COM: 450-012547)		

TECHNICAL SPECIFICATION

Item	Specification
Equipment Type	Shell & Tube Heat Exchanger
Design Code	ASME Section VIII Div. 1
Material Grade (Wetted Parts)	Stainless Steel SS 316L (UNS S31603)
Shell Material	SS 316L
Tube Material	SS 316L
Tubesheet Material	SS 316L

Design Pressure	150 psig
Design Temperature	350°F
Test Pressure	225 psig (1.5x design pressure)
Compliance	Aramco Standard SAES-A-301

COMMERCIAL TERMS

Unit Price:	USD 48,500.00
Quantity:	1 Unit
Total Price:	USD 48,500.00
Delivery Time:	10 Weeks from PO
Payment Terms:	30% Advance, 70% on Delivery
Validity:	60 Days from Quote Date
Warranty:	24 Months from Delivery

INCLUDED IN SCOPE

- Complete heat exchanger unit as per specifications
- Material Test Certificates (MTC) as per EN 10204 3.1
- Hydrostatic test certificate
- ASME U-stamp and nameplate

- Quality documentation package
 - Operation and maintenance manual
-

Authorized Signatory: John Smith, Technical Sales Manager
